Your Function at

The Yorkeys Knob Boating Club

Thank you for choosing The Yorkeys Knob Boating Club as your potential function venue.

The Yorkeys Knob Boating Club is a unique venue for all types of functions accommodating small meetings, seminars, cocktail functions or large sit-down dinners for up to 220 guests.

Boasting the largest shade sail in the far North allows us to provide the ultimate in outdoor all weather dining with food provided by the fabulous Driftaways Restaurant while overlooking the Coral Sea. Or you might choose the more intimate setting of our indoor function room with its own open air veranda.

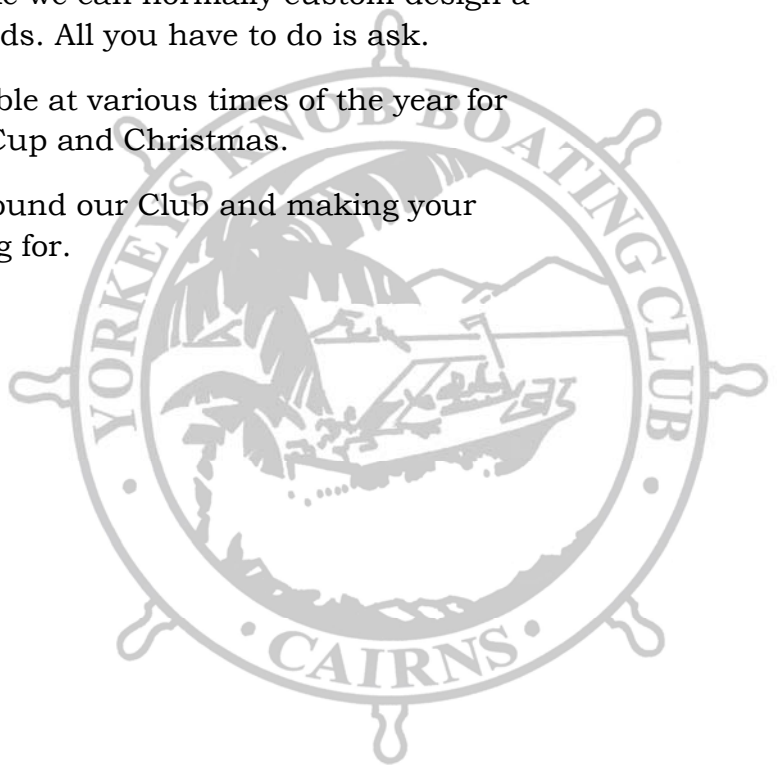

We offer some standard function packages, as you will see, however if there is anything else you would like we can normally custom design a menu based on your individual needs. All you have to do is ask.

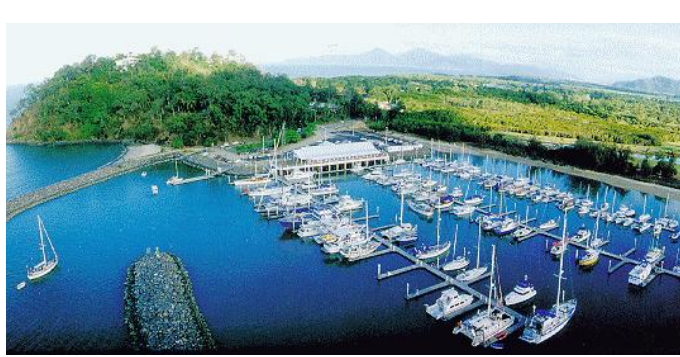

We also have specific menus available at various times of the year for special events such as Melbourne Cup and Christmas.

We look forward to showing you around our Club and making your function exactly what you're looking for.
